

Aerosol Forum to host workshop, lectures...

The 5th edition of the Aerosol Forum will be held March 8-9, 2011 at the Cité des Sciences et de l'Industrie in Paris, France. Over 900 participants from approximately thirty countries are expected.

The Forum will open with an Innovation Workshop chaired by Michel Fontaine, President of the French Aerosols Committee (CFA) and the National Packaging Council (CNE).

Lectures will be chaired by Nathalie Thys, Aerosol Production Manager, GSK, and will address aerosol technologies and spray techniques for health products. Presenters include representatives from GSK, Faculté de Pharmacie de Clermont-Ferrand, PharmAccel Consulting, West Pharmaceutical Services, SGS Life Science Services, Aptar Pharma and Rexam Healthcare.

For the first time, there will be a session on the development of aerosols for the cosmetics sector. Lectures will be chaired by Isabelle Lepeltier, L'Oréal and Philippe Barnouin, Aerosols Research & Expertise Packaging Center, L'Oréal. Presenters include representatives from Fareva, Precision, Lindal, ColepCCL, Mall+Herlan, Tubex, Stork Prints Austria, Boxal Alcan Beauty and Enjoy.

A session on propellants will follow, chaired by Edoar-

do Ruga, Director, Coltivia-Polenghi France, with presentations from Ukrainian Aerosols Ltd, Graham Packaging Co., Clayton Corp., Inventec, Air Liquide and Honeywell.

For more information, or to submit an entry for the Paris Aerosol Awards (products on the European market in 2010), send samples with an A4 fact sheet by Jan. 7, 2011 to:
