

EUROPEAN PACKAGING NEWS

## Plasticum unveils "Jessica" at Aerosol Forum, Paris

PLASTICUM

---

Plasticum Group is an innovative European manufacturer of high-quality injection moulded plastic packaging products. The company designs, develops and manufactures aerosol (spray) caps & actuators, dispensing closures, shaped dispensing tubes, nutrition packaging and wet wipes packaging. Customers are active in the Personal Care, Food and Home Care markets. Plasticum Group companies are located in Germany, the UK and the Netherlands with a sales office in Italy. The headquarters are situated in Tilburg (NL).

The innovative company will be offering its latest model range (named "Jessica") at Aerosol Forum in Paris, on the 9th and 10th of March this year, at stand C06.
