Capsol showcases its wares at Aerosol Forum, Paris

CAPSOL S.P.A.

Capsol is a company specialised in engineering high quality caps and closures. Thanks to the use of advanced state-of-the-art technologies, The company distinguishes itself from other providers in product reliability and a high level of customer service. Capsol meets the needs of first-rate national and multi-national companies in the cosmetics, health and beauty, detergent and food industries.

In order to expand its horizons, Capsol will be attending Aerosol Forum in Paris on the 9th and 10th of March this year, along with its French agent M.S. Packaging. Representatives from both firms will be available to answer questions and demonstrate wares at stand C08.
