

## Capsol at Aerosol Forum Paris

Capsol at Aerosol Forum, Paris on March 10th & 11th - March 2009

Capsol Berry Plastics, together with its French agent M.S.Packaging, will attend the Aerosol Forum in Paris on March 10th & 11th.

They will welcome you at booth C8.

Capsol Berry Plastics is a company specialised in projecting and engineering of caps and closures of high quality standards.

Thanks of the use of advanced "state of art" technologies, Capsol Berry Plastics distinguish themselves with product reliability and a high level service. Capsol Berry Plastics meets the needs of first-rate national and multinational companies in the cosmetics, health and beauty, detergent and food industries.

At Aerosol Forum in Paris, Capsol Berry Plastics will present its wide range of high quality caps and closures for aerosol products and for personal care market. You are more than welcome to visit them at Booth C8.
